MEMORANDUM FOR: [REDACTED]

STAT

FROM: Don I. Wortman
Deputy Director for Administration

SUBJECT: Appreciation

Ed:

1. I do want to thank you and all of those who contributed toward making the DDA Office Directors' Conference an unqualified success. This is, as you know, my first DDA Conference and indeed [REDACTED] is the perfect place for such a gathering. I want to make note of the support that was provided - nothing is wanting and yet there is complete freedom and privacy in conducting our business.

STAT

2. Would you please pass on to those who are involved in arrangements for the Conference my sincere appreciation for their assistance. This holds true for the cooks, the steward, maids and especially [REDACTED] for his singular skill.

STAT

3. As you know, I tentatively plan to have another Office Directors' Conference in the fall of the year and look forward to the genuine hospitality of all your staff.
